- Git

Soft Skill

- Leadership
- Creativity
- Communication
- Team Work
- Critical Thinking

Language

- Bangla (Native)
- English (Fluent)

About Me

Passionate Front-End Developer with a mission to create delightful digital experiences. With a strong foundation in development principles and a keen eye for detail, I specialize in translating complex ideas into user-friendly interfaces. I enjoy being up to date on the latest technological trends. Recently I completed web development course from Programming Hero. Now I'm focusing on learning the newest technologies like TypeScript, Redux, Next.js. I'm putting a lot of effort into learning these new technologies since I really think that one should never stop growing. My goal is to stay ahead of the game and help shape the future of technology.

Experience

Xeon Technology Ltd

May 2025 - July 2025

Software Engineering Intern

Dhaka, Bangladesh

Education

Bachelor of Computer Science & Engineering

2019 - 2023

Daffodil International University

Higher Secondary Certificate
